CERTIFICATE IV or DIPLOMA Work Health and Safety Training

Work Health and Safety (WHS) is a valuable, nationally-recognised qualification that can be used in any industry. Employees will have better knowledge and understanding of how to problem solve, deliver safe services and safe production.

WHS TRAINING CAN DELIVER BENEFICIAL IMPACTS ACROSS A RANGE OF AREAS:

COMPLIANCE

Course content educates employees about the requirements of the Occupational Health and Safety Act 2004 (Victoria) and gives them confidence to apply these requirements in the workplace.

RISK REDUCTION

Employees will have a greater understanding of how to identify and eliminate risks in the work environment.

INJURY PREVENTION AND COST REDUCTION

Employees will know how to identify hazardous work practices, which in turn can reduce avoidable incidents, and can help reduce claims rates and WorkCover premiums.

PRODUCTIVITY IMPROVEMENT

Businesses with safe services or safe production have improved productivity and better business outcomes.

FACE-TO-FACE DELIVERY ACCELERATES LEARNING

The course is delivered over 3 x 6 hour face-to-face learning sessions on weekends (Sat / Sun) from 10am to 4pm. No classes during school holidays. CBD, Camberwell or Peninsula based with easy access to public transport.

WHS – RELEVANT TO YOUR BUSINESS

We have included units that take into consideration the specific work participants perform, so this content is immediately valuable to them and their employers.

Please book early to secure your place by contacting Delivering Safe Services at **0419 517 346** or email stephen.dowling@deliveringsafeservices.com.au.

On successful completion of required units, participants will receive a Statement of Attainment from Compass Assurance Training (RTO: 88194)
